

ANNUAL REPORT: 2017-2018

From The Secretary's Pen:

Shilparghya Jalkhura was started in the year 1996 with a few likeminded, committed and concerned persons with the objective of serving the deprived population of our society. During the last 21 years we have covered more than 3450 beneficiaries in our functional area.

We are particularly concerned about the Health, Education and Socio-economic aspect and emphasize on development of women and children, formation of women Self Help Groups, Vocational Training and capacity building. Shilparghya Jalkhura works to enlighten the beneficiaries so that they can realize their potentialities and can bring a positive change in their lives.

I have much pleasure in sharing our Annual Report for the year 2017-18 with all concerned. This document will give information on our organization, our activities and our future dreams. We look forward for your valuable suggestions on our various activities and performances. Please note that we intend to start an Old-Age Home at our own property at Ranaghat, Nadia and we welcome donations from all to make it a reality. The donations will be exempted under section 80G of the Income Tax Act Rules.

I take this opportunity to express my heartfelt gratitude and sincere thanks to all our beneficiaries from the villages, concerned departments of State Government, Ministry of Culture, Government of India and to the members of our Governing Body with all other members for their continuous support, guidance, patronage and tireless efforts in fulfilling our mission.

(Manojit Adhikary)
Secretary
